Study Abroad at the University of Northampton.

Study in the UK, explore British culture and enhance your career prospects with our International Exchange Programme.

You will be taught alongside our current UK and international students, meaning you'll be fully embedded in UK university culture.

Each of the modules included in our International Exchange Programme have their own specific aims and learning outcomes, allowing you to apply the skills and knowledge you develop with us to your degree at your home university.

Why study abroad at the University of Northampton?

- 80% of students have gone on to achieve 2:1 or above after returning home
- You will be registered as a UON student and will have full access to all of our learning facilities
- You may be eligible for scholarships (discounted tuition fee) if you choose to progress on to full-time degree programmes at UON.

How does it work?

Step 1: Choose the length of your study:

One semester

September / January

One academic year

September - June

Step 2: Choose the right level of study:

Our courses are available at level 4 and 5, which is the equivalent of the second and third year of most international undergraduate courses. Some courses may also require prior study of the subject, please contact us for more details.

Fees and Funding:

The fees are £4,950 for one term and £9,500 for one year (academic year 23/24).*

We offer a small number of free places to partner university students. Please get in touch with the Study Abroad team at your university for more information.

Please note, we are unable to offer scholarships to Short Study Programme students.

Step 3: Why not add a Pre-session English course?

Pre-session English courses:

| | |
|------------|---------------------------------------|
| IELTS 5.0 | 11 weeks intensive (June - September) |
| IELTS 5.5 | 6 weeks (July - September) |
| IELTS 6.0+ | 4 weeks (August - September) |

*Fees are subject to an annual increase.

Step 4: Choose your course.

For September - January study, the courses available are:

Graining credits and transcript

International Short Study Programme is designed for students to gain experience only, but it is possible to gain credits depending on the course you have chosen and subject to your tutor's approval. Please get in touch and we can confirm on an individual basis.

Assessments

If you choose to gain credits you will be assessed. If you choose not to gain credits, you will not be formally assessed. However, the tutors will require you to prepare for class, complete the necessary reading for class discussions and take part in group work and presentations, to make the most of your experience.

Entry requirements.

- A transcript to show that all subjects are passed. Plus a portfolio for certain courses
- IELTS 6 (5.5 minimum in all bands) or equivalent
- Pre-sessional English courses are available to students who do not meet the required English level.

How to apply.

Apply directly through northampton.ac.uk/international/international-short-study-programmes/ or contact International Officer (China) Na Li or WeChat:

Documents to provide:

- Transcripts
- Personal statement
- English language test certificate
- Passport copy.

“During my four-month study in the UK, I have not only broadened my horizons, but I have enriched my professional knowledge. I have also made many good friends from around the world. I would like to thank the University of Northampton and Shanghai Business School for providing me with the opportunity to visit and experience life in the UK. In these past four months, I have participated in various activities which helped me to integrate into the local life. My trip to the UK has left me with incredible memories.”
